Welcome to my portfolio!

New York based graphic designer and photographer ready to make your vision come to life.

As a full-time student at CUNY Queens College, I am currently pursuing a BA in Media Studies and a minor in Graphic Design. I love to explore the world of media, marketing, advertising, and design. My passions for travel, adventure, photography, and unique cultural foods have led me around the world from Greece, to Mexico, to the Bahamas, to South Africa, to Israel, and to 24 states in America. When I'm not traveling, you can find me experimenting in Adobe Creative Suite, binge watching Netflix, eating snacks, shopping, or playing hockey. I have worked at Marketing and Advertising Agencies, small businesses, as well as freelance. I create work that is clean, bright, and engaging.
